ACCREDITED UNIVERSITY

Campus: Noida International University

Noida International University, established under U.P. LEGISLATURE ACT NO. 27 OF 2010 and recognized by Section 2(f) of the UGC Act, 1956, is proudly sponsored by the Maruti Educational Trust. Its expansive 75-acre campus, adorned with lush greenery and distinctive architectural designs, distinguishes it as a premier educational institution. Strategically positioned within the educational hub near the Yamuna Expressway in Gautam Budh Nagar, Greater Noida.

The Noida International university achieved recognition for its academic prowess by receiving the **A+** highest score of **3.44 out of 4** during the first cycle of **NAAC** accreditation, outperforming all other private state universities in India. This honor was bestowed by the prestigious autonomous institution under the UGC, Ministry of Education, Government of India. NIU offers a diverse range of programs across **12 schools**. These programs span Engineering, Management, Law, Medical, and Social Sciences, catering to the academic interests of students from over **65+ nations** who place their trust in the university's curriculum.

Additionally, NIU houses a **900+ bedded** Hospital and a Medical College named **Noida International Institute of Medical Sciences (NIIMS)**, which is recognized as a Centre of Excellence. NIIMS is dedicated to developing a unique pedagogy for medical education, with a greater focus on a pragmatic approach that allows students to explore the deeper nuances of medical education.

Message from **CHAIRMAN**

Dear Students,

Welcome to NIU, it is the start of a new and crucial step in your life and career ahead. Noida International University was established with the motive to provide quality education to students seeking a conducive environment for their personal and professional growth. The University strive to become a beacon of world-class education by creating a diverse learning environment weaving up traditional and modern learning processes and transforming NIU into a multi-cultural adobe for students.

NIU has been a strong advocate of uplifting the medical infrastructure in the country and to prove its commitment towards providing affordable healthcare facilities to the masses, Noida International Institute of Medical Sciences was set up as a part of NIU. The university also offers a variety of Paramedical courses to the produce skilled medical professionals who can help elevate the quality of healthcare services provided globally.

I wish you all the best and through your years with Noida International University, we hope that you put your best foot forward from this. moment on. "Live life to the fullest, take in every moment, and grow from every fault & fear you may encounter. Don't worry about the battles; victory lies with those who win the war!"

Dr. Devesh K Singh

Dr. Devesh Kumar Singh

Noida International University

Message from **CHANCELLOR**

Dear Students, Parents and Guardians, Welcome to Noida International University, Delhi/NCR's largest private university in terms of campus area. Over the years, Noida International University has established a distinct name for itself in the education landscape. Here, we customize the syllabus, pedagogy and overall academics for your personal intellectual and overall evolution as a person, who is not just market ready but a true valuable asset of the nation.

Dr. Vikram Singh

Dr. Vikram Singh
Chancellor,
Noida International University

Message from **VICE CHANCELLOR**

With our country's fast-paced advantage in the education sector, the need for such institutions has increased that can not only provide students with education relevant to the current industry norms but also produce skilled leaders capable of shaping society. Keeping in mind the ever-changing requirement of the education sector, Noida International University was established a decade ago. The vision behind the gap between academia and industry requirements. The emphasis of the University is on personality development, innovation and creativity, and focus on eradicating long-standing issues related to gender, race, culture, etc. University is the knowledge server focuses on dissemination of knowledge, academics, Continuing Medical Education and Management Development Programmes. To establish itself as one of the top Universities on a global scale, NIU has opened its door to international students and gain the desired knowledge. NIU is focusing on National Education Policy on five pillars affordability, accessibility, quality, equity and accountability to ensure continual learning. I welcome you all to be a part of NIU for a bright future to emerge as a good human being along with a skilled professional.

Uma Bhardwaj

Prof (Dr.) Uma Bhardwaj

Message from **DIRECTOR**

Dear Future Doctor,
I congratulate you on your success in gaining a place in Noida International Institute of Medical Sciences for MBBS program. NIIMS will help you to develop as a skilled, confident & caring doctor for the future. Our learned & experienced faculty members of NIIMS as well as expert clinicians will teach you to become one of the best doctors of India. Believing in notion of "Health for All" our NIIMS doctors continue to be involved with medical education to strive to develop a competency focused education, helping to produce skillful doctors equipped to practice person-centered medicine.

Dr. S. N. Gupta

Dr. S. N. Gupta
Director,
**Noida International Institute
of Medical Sciences (NIIMS)**

Message from **DEAN**

Welcome to NIIMS — a medical college where knowledge, compassion, and service come together to shape the doctors of tomorrow. Our institution is committed to providing high-quality medical education through a modern learning environment supported by strong infrastructure, advanced clinical facilities, and a vibrant teaching hospital. At the heart of NIIMS is a team of dedicated and experienced faculty members who mentor and inspire students to achieve academic excellence and professional integrity. Through the Competency-Based Medical Education (CBME) curriculum, we focus on developing strong clinical skills, scientific knowledge, communication abilities, ethics, and empathy in our future physicians. We believe medical education is a journey of holistic growth—empowering brilliant minds with knowledge, nurturing practical skills, and instilling a deep sense of responsibility toward society—so that together we create competent, compassionate, and confident healthcare professionals.
